

SCHÄFER WERKE Group

Operating globally with diversified business areas

At our state-of-the-art locations in Germany, the Czech Republic and the USA, more than 1,000 employees contribute to the success of the SCHÄFER WERKE Group every day.

As a group of companies, headquartered in Neunkirchen in Germany's Siegerland region, with over 80 years' experience in steel processing, we operate globally with our diversified business units **EMW Steel Service Centre**, **SCHÄFER Container Systems IBC**, **SCHÄFER Container Systems KEG**, **SCHÄFER IT-Systems**, **SCHÄFER Office and Workshop Equipment** and **SCHÄFER Perforated Metal**.

Entrepreneurial spirit, market orientation and diversification have been the driving forces behind our family business since its foundation. Outstanding product quality incorporating state-of-the-art technologies and close cooperation with our business partners are the basis of our success.
